Kincaid Is Elected High School Leader By Palatine Voters

Rural, Village, Township,
School Boards Have
Quiet Elections

The only fight of Saturday's school elections was at Palatine where Harrison A. Kincaid, instructor and coach in the high school from 1925 to 1931, was elected president of the Palatine township high school board. Mr. Kincaid polled 232 votes while his opponent, Roy G. Born, received 209. Daniel H. Bergman was re-elected to the board, and Martin E. Plate became a member of the board. Paul D. Wilson was the defeated candidate.

In the uncontested election for the Arlington Heights high school 214 votes were cast, 156 of them in Arlington Heights and 81 in Mt. Prospect. Theodore Militzer was elected president, George W. Kost and Herman Garms members. Their agreement to serve for another term assures the district of a continuation of the conservative policy which has kept the per capita cost of this high school among the five lowest of nineteen neighboring high schools.

While the tax rate is one of the lowest in Cook county, the credit of the district is among the highest, and there has been no curtailment either in the curriculum offered or in the scholastic standards of the school. Teachers have been paid almost entirely during the present year in cash, and considerable progress has been made in the retirement of bonds which have become delinquent due to the late collection of taxes.

Few citizens realize the time which must be devoted to school affairs by members of the board of education, and when so efficient a body of men are guarding the interests of education and at the same time protecting the taxpayer from waste in administering the affairs of the school, it is not surprising that there is no contest in the school election.

Arlington Primary Schools
The unopposed election for the village of Arlington Heights grade school, district 25, brought in 124 ballots. Walter H. Dick was elected president, E. R. Williams, Albert F. Long and Walter J. Schott, members.

Only 17 votes were cast for Wheeling township trustee, John Schoenbeck was elected. Members elected to district school boards in Wheeling township are:

District 20—Merrill school, Alphonse Weidner.
District 21—Wheeling public school, W. F. Laurance.

District 22—Strong school, August Vogt.
District 23—Wheeling Center school, Albert Heuer.

District 24—Wilson school, Martin Albrecht.
District 25—Fechanville school, Henry E. Tegmeier.

Magazines A Feature At Library

Fourteen magazines and one newspaper are received regularly at the Arlington Heights public library. Covering a wide range of interests, the current numbers are available for reading without being taken from the library, while back numbers may be taken out just as books.

General and specialized adult magazines include the National Geographic, Popular Mechanics, American Saturday Evening Post, Literary Digest, Reader's Digest, Nature, and Better Homes and Gardens. Children's and young folks interests are covered by St. Nicholas, Boys' Life and the American Boy.

Religious interests are presented in the Watchman of the Seventh Day Adventist church and Columbia of the Catholic church. Until this year the American Lutheran was also sent to the library. The one newspaper received regularly is the Arlington Heights Herald.

Local people have also donated back numbers of other magazines which are available to the public. Included in this group are Scribner, Harpers, Time, Household, American Home, The Small Home, and the Triangle of Sigma Kappa sorority.

In contrast with the recent issues are bound volumes of magazines from the late 1800's and early 1900's. In this group, which is on the regular book stacks, is McClure's magazine, Munsey's magazine, Cosmopolitan, Youth's Companion, North American Review, Harpers Weekly and Leslies Weekly.

SATURDAY IS THE BIG DAY AT DREYER'S

Demonstrators Will Exhibit Household Appliances; Free Gifts

Saturday is the big day at Dreyer's Electric Shop at Arlington Heights. Electric washers and ironers will be demonstrated. Special representatives from refrigerator manufacturers will be present to explain the features of their goods. The store will have on display almost every kind of electrical household appliance. Ten table and floor lamps are to be given away that day to visitors, whether they are customers or not.

Every woman is interested in electrical appliances for the home. Every man will some day buy an electrical refrigerator. This is the first time that so many of them will be demonstrated in one show room at one time. It provides an opportunity to learn what is what.

The Dreyer Electric Shop is located in the Vail-Davis building, south of the railroad, one block west from the depot, opposite the village hall.

Village Dads Met Monday

The village trustees of the Village of Arlington Heights have their departments working so smoothly that the board as a whole can not find so very much to do at their regular meetings. The meeting last Monday was another one of those routine affairs.

The street department has been doing a lot of work. Included in the projects under the jurisdiction of that department was the laying of 217 feet of sidewalk, planting of 23 trees, 200 bushes, spreading of 27 loads of gravel, the laying of 20 feet of drain pipe and a multitude of other things.

The board has put off the purchase of a refrigerator at the treatment plant for two years. They bowed to the inevitable Monday night and authorized the committee to report prices at the next meeting.

The village and the contractors have been waiting some time for the cash, amounting to nearly \$12,000 that Uncle Sam promised to give them. Attorney Thiel reported that only one obstacle appeared to stand in the way of that check, viz: a separation of water funds from the general fund with a separate bank account. The board advised the treasurer to take such action.

The treasurer's report for March showed a cash balance on hand of \$38,366.06. Bills and payroll passed for payment when funds are available amounted to \$17,566.07.

Easter Cantata Sunday Night

Lovers of music will rejoice greatly in the fact that one of the most beautiful cantatas has been written by our master of music, Mr. Theodore Militzer, and will be rendered by voices of the community on Easter evening, in the Methodist church at the hour of eight. Mr. Militzer has taken his words from the Holy scripture and set them to music in such good form that it is greatly pleased and its rendition is looked forward to with very great interest. Mrs. Beatrice Alden who rendered such effective service to the choir while a resident of Arlington Heights will be the leading soprano; Mrs. Esther Kello, mezzo soprano; Mrs. Hazel McElhose, Alto; Mr. Marvin Greener of Palatine, Baritone with Miss Mercie Heise at the organ. Many other well trained voices compose the chorus. The public are cordially invited to celebrate the closing hours of the Easter day in the atmosphere of song.

APPRECIATION

TO THE VOTERS OF ARLINGTON HEIGHTS:

The splendid support given this ticket at the election Tuesday is very gratifying to the members of this administration. Public service may often entail a lot of work on the part of individual board members but we can not help but consider the support given us at the polls as a mark of approval of our policies and confidence in our judgement.

We appreciate the votes given us and assure all voters of Arlington Heights that we will welcome suggestions at any time that will tend to improve conditions here and make Arlington Heights a better town in which to live.

THE VILLAGE TICKET

I realize that I owe my election as police magistrate Tuesday to the support that was given to my candidacy by my friends. I thank them and those who placed a cross before my name. I will endeavor to fill the office to the best of my ability, showing favors to none.

GEORGE KLOEFFER

TO THE VOTERS:
I want to express my appreciation for the support accorded me by my friends in the recent village election.—Elmer C. Karstens.

WATER BOARD ORDERS STOP OF POLLUTION

Palatine Has Year in Which to Act; Must Report by July 1

Stream pollution by the Village of Palatine must be abated within a year, and a report of the progress made in that direction must be made by July 1, says a formal order voted by the State sanitary water board. Similar orders were issued against Deerfield, the Kildeer country club, and the Sisters of the Holy Family of Nazareth after a hearing April 6.

At the hearing E. P. Steinbrink, village clerk of Palatine, asked for a continuance for the village to prepare its case showing why the dumping of sewage into Salt creek has not been stopped. While admitting the pollution, the village can do nothing because it is bonded and taxed to the limit.

The orders are another step in a state-wide stream sanitation program, in which the state is cooperating with municipalities in bringing about the abatement of objectionable stream pollution. The hearing was the second call in the campaign to clean up the Des Plaines river, Salt creek, and the north branch of the Chicago river.

Similar abatement orders had previously been issued against Wheeling, Libertyville, and St. Mary's training school at Des Plaines. Action against other offenders is expected.

After Repeated Attempts

Each action came only after repeated attempts to have these offenders proceed voluntarily with a definite program for the abatement of the pollution which was being caused by the discharge of the sewage. "The time is now when the people of a community can sit on the banks of a river and continue to pollute it," stated a spokesman for the board.

Board members said that while such an order is in a measure a friendly one, the board does not want to make it very clear and desired to impress upon those responsible for the pollution that definite action is expected.

Culmination of Survey

This action by the sanitary water board is the culmination of the largest stream pollution survey ever attempted in this county. The survey covered 700 miles of streams and flowing into Cook county, and was made by the sanitary water board co-operating with the division of sanitary engineering of the state department of public health, the forest preserve district of Cook county, the sanitary district of Chicago, and the Chicago Regional Planning association.

Members of the board are Dr. Frank J. Jirka, state director of public health; Charles E. Thompson, state director of conservation; Walter W. McLaughlin, state director of agriculture; Robert Kingery, state director of public works and buildings; and Clarence J. White, manufacturer.

Remember the Rambler Rose you ordered last Easter from Flowerland, and how well it bloomed all summer? Why not order another one now? Just call 440.

JULIUS D. FLENTIE, re-elected village president of Arlington Heights to serve his fourth term in that office.

V. I. Brown Memorial At School

Honoring the principal of the Arlington Heights high school who died recently, the V. I. Brown Memorial plaque for Intramural basketball was presented to the school at an assembly Monday. The plaque, given by Francis V. Spears of Mt. Prospect, a member of the high school board, was presented by A. M. Conger, Mr. Brown's successor to the principalship of the school, and accepted for the school by Raymond M. Hayes, a member of the faculty.

The plaque, bearing the inscriptions "Clean Sport" and "Good Morals" has space to list the Intramural winners for 15 years. The 1935 winning team was the first to have its names listed upon the plaque.

The team, known as "Pa Piffles" was captained by A. Spears. Members are M. Fessler, E. Fredrichs, M. Gaare, R. Richard and A. Scolaro.

Mr. Brown died March 23 after heading the school for a decade, during which it grew from 120 pupils to 400. He was a founder of the Northwest Suburban high school conference, and served for eight years as its secretary-treasurer.

Flentie Polls 1274 Votes;
Ladas Loses in Only
Fight of Day

Showing under the lone opposing candidate for village trustee, Arlington Heights voters in Tuesday's election gave their approval to the administration ticket's candidates for village president, clerk, and trustees, but elected the independent candidate for police magistrate. That office provided the fight of the election, and was won by George A. Kloepfer with 828 votes, a 63 majority over his opponent, P. K. Ladas, who polled 765 votes.

J. D. Flentie, village president, was re-elected with 1,274 votes. Four present trustees were re-elected. They are Walter Krause with 1237 votes, Gus A. Framberg with 1282, George Klehn with 1311, and George Schaefer with 1339. The two new men on the board are George F. Schneberger who received 1230 votes, and Frank J. Burns who received 1221.

Arthur L. McElhose, village clerk who was unopposed, was re-elected with 1236 votes. Two members of the library board were elected. They are Alfred P. Capps who received 459 votes, and Henry R. Franke who received 462 votes.

A write-in campaign in the interest of Herman Boeger, for mayor, resulted in only 59 votes for Mr. Boeger, who formerly served a term as alderman.

**Meyn Is Re-Elected
In Mt. Prospect**

Herman F. Meyn, second president of the Village of Mt. Prospect, was elected to his fourth term in that office by 10 votes in Tuesday's election. Heading the Community ticket, he received 368 votes to 358 for R. E. Gould who headed the Citizens ticket.

Village trusteeship went to four of Mr. Meyn's running mates, Herman Haas, Sr., who polled 427, Edwin Wille 383, and Emil Greinke 377. Successful candidates for trustees from the Citizens ticket were S. W. Harrington who polled 383 votes and Charles Hennix who polled 359.

Defeated candidates of the Community ticket were Paul Holste 340, and George Glade 326. Defeated Citizens ticket candidates were F. O. Jorstad 340, Charles Verrett 330, A. W. Holmberg 322, and P. J. Jonas 317. Edwin L. Busse, running on the Independent ticket was re-elected village clerk with 351 votes while his opponent, Rudolph Kruse running on the Regular Voters ticket received 268 votes.

Arlington Takes Both Divisions In Track Meet At Bensenville

Arlington Heights high school copped both ends of a double header track meet at Bensenville Saturday. Arlington's first squad won 86-36, and her frosh-soph 75-1-3 to 45-2-3. It was mainly through numbers that Arlington won. Bensenville has several good boys, but not enough to make up a full team.

Davis was the outstanding man scoring in four events. Cramer, Koske, Jennings, Johnson, and Guthrie gave him some good help. His record of 5 feet 6 1-8 inches in the high jump, and broad jump of 20 feet, 1 inch, would win most meets. Only a sophomore, he is only just beginning his track career.

Captain Schroeder led Arlington in three firsts, his best event being the broad jump where he cleared an official 21 feet, 7 inches. He twice hit 22 feet, 1 inch, but fouled by only a fraction of an inch on each jump. Szasz showed promise of getting somewhere in the pole vault. If he can avoid the injuries which handicapped him during the track season, the past two years, he may be able to set a new conference record in his specialty before the season is over.

DR. M. H. BICKHAM OF I. E. R. C. TO SPEAK IN ARLINGTON

Regional Planning Director to Discuss Social Security

A most interesting and enlightening talk is to be given by Dr. Martin H. Bickham, Ph. D., Director of Regional Planning for the I. E. R. C. at the Village Hall of Arlington Heights on next Tuesday, April 20th, at 8 p. m., on the subject of activities in this state toward social security.

Those who have heard Dr. Bickham's talk elsewhere, agree that the topic is most interesting, informative and to say the least, truly a revelation of activities and plans not only proposed, but actually well under way in the State of Illinois. In view of the fact that all information and facts relative to this most important and relative to the public in the daily press, it is of added interest to every person concerned in the solution of the relief problem.

The present Social Security plans essentially embrace a long period program and offers serious food for thought on the part of every person whether on relief or not, because of its need for well informed citizens to support these measures for permanent results.

It is Dr. Bickham's problem and hope to be able to ultimately solve and secure action in putting into effect, plans for meeting the difficulties also confronting the industrial classes who are more generally represented in this and other large city centers.

Numerous charts are employed to clearly illustrate the facts presented. For this reason the Village Hall was arranged for rather than a larger auditorium.

The program has been arranged by the Arlington Heights Benefit Club for all residents of Arlington Heights. A large attendance from the Club's membership is expected, therefore you are invited to come early.

E. D. Whitmore Visits Schools at Winnetka

E. D. Whitmore, principal of the Arlington Heights public schools, was among the educators who were guests yesterday of Careleton Washburn, superintendent of the Winnetka public schools in an all-day visit to the Winnetka schools.

The meeting was a result of contacts and discussions at meetings of the Superintendents' Round Table. The schoolmen were lunch guests of the Winnetka Parent-Teacher association.

Children to Enter School Will Have Clinic May 7

Children who will enter the Arlington Heights public schools next September will be examined at a health clinic to be held the afternoon of May 7, in the health center in the Arlington Heights village hall. A local doctor and dentist will be in charge of the examination, which is being given to enable parents to have any trouble of their child corrected before school starts next fall.

The examination will be free. Treatment will not be given, but the parents will be referred to their family physician. Mothers of children to be brought to the clinic are asked to call Mrs. Forrest Nichols at Arlington Heights 78-W.

That New Easter outfit will not be complete without a Gardenia corsage. Call Flowerland now. Phone 440.

Thursday, the old time Mother's club of which Mrs. Boeger was a lifetime member, came to assure she was still "one of them" none other equal to her in their need of her, and their love for her. Arlington High Baseball Team In Season's First Game Today

Arlington Heights high school baseball team will open the season this afternoon by a game with Waukegan's reserves, who will undoubtedly be plenty tough, for Waukegan has always been a good baseball school. The game is scheduled to be played at Arlington, and will probably be played on the high school field. If so, it will be the first baseball game to be played there in many years, as the Cardinals for the past several years have been using the Southside diamonds.

It is hard to say what kind of a team Arlington will put on the field. Only three regulars are left from last year's conference championship aggregation. Hertel will undoubtedly be a fixture at short. Kehe is back for at least part of the pitching assignment with Bar-

nett as his first assistant. Weisgerber, an outfielder, last year, will probably be moved to first, or behind the plate. Kirchhoff, who broke in occasionally at second base, is back for that position. Nel Laseke, Alten, Pingel, Redeker, Kopplin and about 20 others have asserted their intentions of trying for the other positions. No line has been had on the lineup as yet, since the cold and rainy weather has practically precluded any possible attempt at practice. With the conference opener only a week away, efforts will have to be doubled to get into condition for this game. Leyden, probably the toughest baseball school in the conference, is to furnish the opposition when the conference season opens next Friday on the Arlington Heights field.

MORE ABOUT The Election

(Continued from Page 1)
The \$15,000 water softening plant proposition was defeated with 379 votes against it and 358 votes for it.

Wheeling Voters Split Between Two Parties

Wheeling voters chose half their village board from one ticket and half from the other in Tuesday's election. Hans Schmidt, acting village president, candidate of the Taxpayers party, was elected village president with 184 votes while his opponent, E. E. Giesecke, village trustee who headed the Peoples ticket, received 96 votes. Miss Arlene Schneider, unopposed for village clerk, received 188 votes. John J. Wick of the Taxpayers party ran second in total votes only to Mr. Schmidt and received 168 crosses. The party's other two successful candidates for trustee, both of whom held that office now, were Edward Moeller who received 137 votes, and Charles Becker who received 135 votes.

The Peoples ticket candidates who were elected village trustees were Frank W. Weiflin who received 138 votes, Jesse Tesch with 136 votes, and William F. Krueger with 135 votes. Mr. Krueger and Mr. Becker of the opposite party both had the same total, while Earl Johnson of the Taxpayers party lost out by one vote—he had 134. The other two Taxpayers candidates were Anton Mauer who received 125 and Robert Utzadel who polled 114. Derated Peoples candidates were Clarence J. Hoffman 116, John Ehlers 112, and Arthur A. Ortel 106.

Palatine Election Is Uncontested

Palatine voters turned out in surprising numbers Tuesday to give their endorsement to the present administration which was without opposition in the election. A total of 414 ballots were cast. Eleven votes were given to William S. Dollinger, opposition candidate who died two weeks ago.

Adolph R. Godknecht received 392 votes for village president, and E. P. Steinbrink 379 for village clerk. For village trustee Arthur H. Mess received 390 votes, George F. Voss 390, Albert H. Schmidt 388, C. C. Uhrhammer 380, Louis H. Freise 376, and Fred H. Shermer 375.

William G. Ost was re-elected to the library board with 386 votes and Mrs. Bertha Thompson re-elected with 383 votes.

Des Plaines Re-Elects Mayor George Kinder

In Des Plaines the Adminis-

tration ticket re-elected George W. Kinder mayor with 2283 votes to 1823 for George N. Enzenbacher, present village treasurer, who headed the Citizens ticket. Edgar J. Friedrich was re-elected city clerk with 2360 votes to 1690 for Charles M. Larson, his Citizen ticket opponent. Otto W. J. Henrich, Administration candidate, was elected city treasurer with 2025 votes to 1985 for his opponent, Fred Lessing.

Wets overwhelmingly won the referendum on the abolition of saloons in the city. The wets rolled in 3102 votes, while the dries numbered only 937. A second question submitted to the voters found 2272 of them in favor of purchasing new fire equipment and 1583 against.

Write-In Wins At Bensenville

Bensenville voters turned in a surprise when a write-in campaign gave W. Williams the village presidency through a total of 274 votes, while only 250 votes were cast for George Runge, present incumbent.

Other candidates were unopposed. Fred G. Elfring was elected village clerk by 372 votes and George J. Hampton was elected village treasurer by 366 votes. The six candidates for village trustees were elected with Walter Lauman getting 347 votes, Edwin H. Sprandel 355, Leonard H. Geils 373, Charles N. Mack 350, Archie Jennings 365, and George Malkin 347.

Builders Hold a Reunion

The Arlington Heights Chapter No. 109 of the Order of the Boy Builders held a reunion at their last meeting on April 12th. The members of the builders were all asked to bring a guest, (another builder not present very much), to fill his office. The boys were surprised to see from as far back as the presentation of the charter. We even had present a guest that hadn't been present for 6 years. After discussion of the dues, and all other business, the meeting closed, and a volley ball was played. At about 10:30, refreshments of cake, sandwiches, and coffee were served. The committee in charge of the evening consisted of Cecil Meyer, John Schulenburg, James Hauff, and Earl Fredricks. All members are invited to attend the next meeting which will be held April 25th at the Methodist Community hall.

The Fidac group, at present students of Belgian history, met with Mrs. Pecchia, their chairman, in her home on North Dunton avenue, Tuesday afternoon. In addition to their study period, the group are planning and rehearsing for a little play written by Mrs. G. L. Parker, to be staged for the benefit of our soldiers in hospitals.

Mr. and Mrs. William Wilke, Mrs. Fries, accompanied by Mrs. H. C. Klehm and Mrs. Edward Volz, went to Chicago Sunday to call on Mrs. Tom Blum, whose husband died Saturday. Before her marriage Mrs. Blum was Miss Anna Schumming, and this group who went to visit her were her former friends and schoolmates in her old home in Arlington.

Mrs. Al. Adam, in the home of her son, Lawrence Sebastian, gave a shower with Mrs. Herbert Helfers as honor guest Friday evening last week. The colors pink and blue in favors and decorations were prettily carried out. A pleasant social affair.

Lest we forget—April 22, a one o'clock desert luncheon given by the April group of Dorcas Aid in Lutheran school hall. Tickets 25 cents. Now don't say I didn't tell you.

Palm Sunday was a happy day in many homes in our town. In the Rev. H. C. Fricke's home there were family guests and rejoicing in honor of their daughter, Harriet's completion of her confirmation.

In the home of Mr. and Mrs. Julius Vogel was the scene of another family gathering to celebrate the confirmation of faith of her niece, Hilda Stoeckel, and their daughter, Evelyn Vogel. The brothers and sisters with their families, formed another happy group in honor of Evelyn and her cousin, Hilda in their confirmation in Christian faith.

Mrs. William Garms had to divide her interest and sympathy with two family groups, her son's family in Palatine, and one of her grandchildren here at home. All were given due readiness and hopeful forward courage.

From one who was present when Francis, son of Mr. and Mrs. M. Oefelein was confirmed in St. John's church Palm Sunday, we heard that he stood so straight and resolute, as if he was undertaking his journey forward with manly courage to keep the faith and with God's help we are sure he will. This we hope and pray for all of these youthful communicants, let us call them young defenders of the faith.

Mr. and Mrs. Otto Koehnke of North State Road had Palm Sunday guests from Chicago to help them celebrate the confirmation of their son, Kenneth, added to those whose names we learned then have been scores of other families holding Palm Sunday gatherings to rejoice with their friends and relatives over some child or children's confirmation. We trust the great significance of Palm Sunday and its sacred ceremonies will build into better lives all who participated in the days rejoicing.

Monday, Mrs. Walter Sieburg with Mrs. Joseph Horcher and Frances and Mrs. Edwin Sieburg, went to the West Side hospital at Evanston, to find how Mrs. Welter Sieburg's son, Stanley, was. They were glad to learn he was hopelessly better.

Mrs. Swayne, who has been visiting her brother, Mr. Archie Fessler and family, left for her home in Madison Wednesday.

Mrs. William H. Meier celebrated her 70th birthday April 7, in her home, 491 East Euclid street. Her children, relatives and friends came to make the day a happy one for Mr. and Mrs. Meier and to wish her many happy returns of the day and date.

The Welcome club of St. Peter's church will hold its annual meeting and election of officers Thursday, April 25. Cora Bieman of the American will talk on "Salads."

Mr. Jacob Kranz, father of our neighbor, Mrs. Francis Wilton, passed from earth life in his home in Chicago after a lingering illness of two years duration in intense suffering, Friday, April 12, 1935. His funeral was held Tuesday this week, a quiet, unostentatious service, according to Mr. Kranz wishes, with only his family and intimate friends present. His life had been expressed in quiet, peaceful ways and it was thus his earthly house was laid to rest.

Mrs. Wilton has the sincere sympathy of her many friends in Arlington Heights. The world is never the same to us when fathers go. From the intense suffering of his last days, his death was to him a blessed release, and in this thought his family must gain comfort.

Mr. and Mrs. Fred Kolze are the parents of an 8 lb. baby girl April 9. Mrs. Kolze and Phyllis Jean are both doing fine at the home of her mother, Mrs. E. Ecker.

An error in the news item about scholastic standings of Arlington Heights high school last week, stated that a name of Marie Thompson for 2nd place in last week's paper. Miss Thompson with a 5.76 average is the highest in the class of 63 pupils.

Leonard McClain, Detroit, Mich., visited friends over the week-end.

Special Displays For Easter Season At Arlington Stores

There is hardly a business place in Arlington Heights that does not have special offerings for the Easter season. This is especially notable in the Apparel Shops.

Gieseke's and the Emerald Shop have special stocks at special prices and there is no reason why any woman in northwest Cook county should go anywhere else than Arlington Heights for Easter clothes. Gieseke's is also specializing in men's apparel.

The food stores with large ads. in this issue are giving many reasons why it is economical to buy in Arlington stores. Masny is specializing on hams. Krause's Cash market has a big special on leg of lamb and a recipe to cook it properly is part of their ad.

The A. & P. is making a big bid for business with price quotations in almost all of the lines handled by that store. They have already given an idea as to what is going to happen when they open their new establishment.

Collignon's Delicatessen is now selling Hydrox ice cream at the 20 and 40c price. The price of a quart for this Saturday is cut to 39 cents.

Mors Bakery's Saturday specials are gaining in favor. They can always be found in the Herald.

Hartmann's Shoe Store reports increased business and many new customers which is further indication that Arlington Heights is becoming more and more of a shopping center.

Which all goes to show that the merchants of Arlington Heights are reaching out for business through the Herald advertising columns are optimistic and are "going places."

That unique entertainment in the form of a chautauqua will take place in the Methodist auditorium, Arlington Heights, April 26. The program includes a play, minstrel show, musical numbers and other features. You will not want to miss it.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 14.

The Golden Text was, "Heal me, O Lord, and I shall be healed; save me, and I shall be saved: for thou art my praise" (Jeremiah 17:14).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The Lord is good to all; and his tender mercies are over all his works. All thy works shall praise thee, O Lord; and thy saints shall bless thee" (Psalms 145: 9, 10).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Truth has no consciousness of error. Love has no sense of hatred. Life has no partnership with death. Truth, Life, and Love are a law of annihilation to everything unlike themselves, because they declare nothing except God, Sickness, sin, and death are not the fruits of life. They are inharmonies which Truth destroys" (p. 243).

Miss Harriett and Miss Grace Barrett will be at home from Illinois University for Easter vacation.

Monday evening, the Herman Meyer home was a scene of merriment, when twenty-five guests assembled at a surprise party. Herman Scharringhausen, Fred Scharringhausen and Miss Elvina Scharringhausen whose respective birthdays were the fifteenth, sixteenth and seventeenth of April, were the honor guests.

Mr. and Mrs. Albert Cavanaugh and daughter, Evelyn, went to Wadsworth, Ill., Sunday. Mrs. Bederske, Mrs. Cavanaugh's mother, was celebrating her sixtieth birthday. Her immediate relatives were there to congratulate her.

Sadecky Invites Public To Inspect New Changes In Remodeled Store

John Angeloff, manager of Sadecky's store, has asked the Herald to extend an open invitation to the general public, especially those who are not regular customers to call and inspect that store. Further changes have been made in the store the past week and John has good reason to be proud of the place.

In and out of season fruits and vegetables, especially purchased for Easter are on sale this week-end. The store also carries the full line of canned goods. This week's specials include some good ones. Better read the ad. that is always to be found on page three.

Arlington Trackmen In Triangular Meet at Crystal Lake Tomorrow

Tomorrow the Arlington Heights high school track team will go to Crystal Lake for their second scheduled meet of the week. A triangular meet with Palatine and Barrington at Barrington was postponed from Tuesday to yesterday. Tomorrow's meet will also be three sided, with Crystal Lake and Woodstock in the other two corners.

The meet will begin at 1 o'clock on Crystal Lake's new field. Woodstock is favored to win. Their track and field men are led by Merwin, ace polevaulter, who has a record of close to 13 feet. They also have strong men in the quarter-mile, half-mile, and mile runs as well as the hurdles.

Little is known of Crystal Lake, but they generally have good track teams.

Senior Walther League Presents Farce Comedy Two Nights Next Week

"The Blue Bag," a farce comedy in three acts, will be presented by the Senior Walther League of Arlington Heights at the Lutheran school hall, Thursday and Friday, April 25 and 26. The main plot of the play deals with several blue hand bags, one of which contains some smuggled jewels.

Mac, who has spent his allowance and needs money, makes a bet that he will be able to make an impression on the first girl that passes. The proof of his success is to be a blue hand bag which he happens to be carrying. So he trails her to a country hotel, and there finds three girls, all with identical blue handbags. Not only that, but there's a detective snooping around after one of the bags, believed to contain stolen jewels. This complicates things for Mac.

George, Mac's chauffeur, has caught a bad case of love. Before the various tangles have been straightened out, you will have had three acts of fun and hilarity.

Tuesday Looms up As Big Night At Arlington

The Arlington Theatre is giving away a big bowl to every man "fetched" along by a lady next Tuesday and Wednesday. The bowls are given only to gentlemen accompanied by a lady. The man gets the bowl, but its unique features will appeal to the ladies who will probably own the bowl anyhow before the evening are over. Its a mixing bowl and its salient feature is the fact that you can beat it up or kick it about, but it won't tip or spill its contents.

On Tuesday night the Dreyer Electric company will take up a few minutes to draw from a receptacle ten numbers. These numbers will be the winning coupons for the ten big lamps given away at the Dreyer house warming and recreation opening in their new quarters Saturday. The holders of the coupons issued by the Dreyer Electric Co., do not have to be in the theatre to win their lamp, but if you happen to have one of the lucky numbers and are present when they're called off, you get the good news that much sooner.

The Tuesday and Wednesday picture is rated high and it is feasible to conclude that good crowds will be on hand both nights. The Claudette Colbert offering "The Gilded Lily," a Paramount special, is being eagerly awaited and capacity attendance is estimated in early advance.

Rudy Stein's window is displaying some silver and gold studded Easter eggs packed with spending power and to be distributed this Saturday night. "Wings in the Dark" with Cary Grant and Myrna Loy, will take over the screen at the Arlington in a big way for a three-night run starting Monday, April 29. The same week brings Rudy Vallee in Sweet Music, Murder on a Honeymoon, Devil Dogs of the Air and Little Colonel Rogers, in Life Begins at 40 comes along next with Rumba, Grand Old Girl, Ruggles Of Red Gap and Roberta in rapid succession.

Arlington Checker Players Even Score With Wheeling

The Arlington Heights checker players turned the tables upon the players of Wheeling this week when they defeated the latter by 34-38, the same score by which they lost a week earlier. The event took place at Wheeling. The date of the final game for the championship has not yet been announced. In the meantime Arlington boys are waiting for challenges from other towns. Address Park View Tavern.

If you live out of town, and would like to order your flowers from Flowerland, just call 440 and we will deduct the call from your order.

Shrubs
In previous articles we discussed the perennials and some of their characteristics. The next few articles will be devoted to deciduous shrubs, that is, those with woody stems.

Before starting to plant, one should draw a plan with plants placed in approximate positions, as it is easier to transplant on paper than after they are in the ground. In making a plan one should use a scale such as one inch to three feet, or any other that may be convenient.

One should study the shrubs and select plants suitable to be placed where one desires to have them planted.

Some of the things to consider in selecting plants are the height of the plant, nature of growth, adaptability of plants to soil, whether the plant requires an acid or a basic soil, light or heavy soil?

Other characteristics that should not be overlooked are, susceptibility of plants to disease and insects, heat, cold and drought. Does the plant have fruit that will attract birds? Does it flower? If so, does it flower at the time you desire it? How long does it remain in bloom?

Before going very far with drawing a plan one must consider whether he wishes to have a formal or an informal garden. When this has been decided, one can begin to arrange his plants. You should place the taller shrubs to the back. In a long informal border the back line of shrubs should not all be of the same height, but broken, as this tends to break the stiffness or formality of the effect.

A few desirable tall shrubs are: Honeysuckle.—The honeysuckle is an old standby when it comes to covering up an undesirable sight. The variety *Grandiflora Rosea* is a large pink flowering honeysuckle that grows very rapidly. It generally grows to the height of about eight feet. During the last of May and early June it has bright red flowers striped with white. The varying shades of color are white, pink and red. The red-fruit of this bush is enjoyed by birds. This plant grows in most any good soil, it is hardy and quite resistant to disease and insects.

Forsythia—Golden Bell.—(Forsythia *intermedia Spectabilis*) This variety is an upright type and is very hardy. It blooms very early in the spring, generally in April. Forsythia *Suspensa* (Drooping Golden Bell) is a drooping variety. The Forsythia vary in height from 5 to 10 feet.

Mock Orange or Syringa.—(Philadelphus) this plant has vigorous habits. It is very hardy, has beautiful white flowers, the majority of which are very fragrant. One can secure varieties of mock orange that vary in height from a bush that is dwarf in nature to one that grows 10 feet in height. Flowers may either be double or single and generally all are white. The mock orange grows in any good soil, in sun or partial shade.

(To be continued.)

MORE ABOUT Track Meet

(Continued from Page 1)

Niebuhr copped two firsts, low hurdles and the 220 yard run. If he can develop more speed to go with his remarkable form over the hurdles he will be hard to beat.

Other firsts were scored by Rohlfing, Weisgerber, O. Masny, Foley, Don Johnson, and Earl Gieseke.

For the juniors Smith, with a first and two seconds led with 11 points; Allen and Redeker, two firsts each for 10 points apiece. Proctor, Kopplin, Regner and Bittner also scored firsts.

Arlington won both relay events.

Soft Ball League Announce This Year's Meeting as Wednesday

The first meeting of local people who are interested in the formation of a soft ball league in Arlington Heights was held Wednesday evening. The boys appear to be enthusiastic and eight teams are assured. A second meeting will be held at the Hartmann Shoe Store next Wednesday evening when all sponsors, and team managers must be present.

1935 Is A Pontiac Year In Arlington

This is a Pontiac year in Arlington Heights. Elmo Williams of the Roehler Motor Sales is authority for that statement. Sales of Pontiacs this year by Mr. Williams are three times that of last year for the same period. Anyone who has inspected or ridden in one of the new Pontiacs knows whereof Elmo speaks, and why he is so enthusiastic over that car. The only trouble, says Mr. Williams is that Pontiacs are so popular in other places that he cannot always get the cars when he wants them. However he has delivered nine of them in addition to two new Buicks of which he is now a selling agent. "The Pontiac is today the best value in the medium priced field," states Mr. Williams. "I have found that the public is ready to spend a little more when purchasing a new car in order to get more value. Not only does the Pontiac possess features not found in any other car in its field, but it has extra weight. My enthusiasm alone could not have sold those nine Pontiacs if the auto itself was not all that I claim for it."

Mr. Williams of course is always ready to leave his other work to enter his sales room, but the Roehler garage is a busy place these days conditioning cars for spring and summer driving. His shop "goes all the way" its spring tune up of cars and motors. Particular owners appreciate such service and for that reason it is almost necessary to "make appointment" for your car when you desire that the Roehler garage give it a spring going over.

Building in Suburbs Active During March

For the first time since December, 1931, the monthly survey of new building in the Chicago suburban area has exceeded \$1,000,000. The figure for March is \$1,067,550. The only other month in the past three and a quarter years in which the total permits issued amounted to over \$1,000,000 was September, 1934, when the sum was \$1,136,609.

Judge Meyer Declares A "Draw" in Two Year Old Accident Case

With the village of Arlington Heights as the plaintiff and Mr. and Mrs. Kinsel as the defendant, three hours were spent late Monday afternoon for the submission of evidence in a case that was two years old. After it was all over and the witnesses and lawyers had missed their usual supper hour, Judge Meyer ruled that the parties concerned were equally to blame. In 1933 Mrs. Kinsel was driving her car south on Dunton and turned to the left just as Chief Skoog was approaching in the opposite direction. The officer's motorcycle was wrecked in the collision and Mr. Skoog was badly hurt. The claim of the village was for damage to the motorcycle. There will be no appeal on the part of the village.

Bus "War" Is On In Arlington Heights

Mt. Prospect pupils attending the high school at Arlington Heights are saving money these days as the result of a small bus war. Mr. Geisen, of Palatine recently purchased of Mr. Metz the bus that he used in transporting the students to the school. He also started a local cab service. His competing cab line is reported to have induced the United States line of Des Plaines to provide similar bus service to the high school. The previous rate of 15c a round trip was reduced to 12c. The cut was immediately met by Mr. Geisen. The pupils are awaiting the outcome and in the meantime have a bit more spending money.

WHO'S WHO

No business man too big to escape
By GEORGE

When you see that "thin man" with a pad of writing paper in his hand, hopping from one business house to the next business place—that is Stuart Paddock. He has been dishing out the dirt for years and years, but what he has written isn't any news. Get a load of what's coming.

He was born in Chicago, in the district known as the "valley." He attended grade school there and his playmates were Machine Gun Jack McGurn, Diamond Joe Esposito and Three Fingers Jack White. This influence has dominated his whole life, but the exception has been, that, instead of being publicized, he has done the writing.

His dad moved to Libertyville and weaned Stuart away from the paths of infamy and sent him to high school. But Stuart was an ostentatious youngster and finally father moved to Palatine—a town so peaceful and quiet that there was nothing else for Stuart to do but help stir up excitement by helping publish the Palatine Enterprise—a subsidiary of the Cook County Herald.

About this time Stuart took himself a wife and really settled down. Took a course in Metropolitan Business College, Molar Barber College and Keely Institute. With all these diplomas he took over the management of the Cook County Herald—he is the whole works upstairs, but his brother, Charles, really runs the main works on the first floor.

Yet Stuart is a self made man and is on the up-grade. He now has a grown family—2 boys and one girl. Luckily they have taken the "bit in their teeth," overcome the hereditary tendencies on the paternal side and have taken to other methods of making a living besides being newspaper men.

Stuart is now 53 years old, but his hobbies of attending village board meetings and providing meal tickets for his employees have advanced his age considerably. It is difficult to distinguish him from his dad, who is around ninety, and only recently Stuart admitted that he didn't feel a day over eighty.

However, it is only natural that he does feel his age, for he really is a hustler. He scurries through the town like a Kansas dust storm, to ferret out a news item. He tries to publish the truth and the day after the paper is out, he hides upstairs while the crew below get bawled out for his mistakes.

But nevertheless, he is a swell fellow. Keeps his paper on a very high standard and is ever willing to boost the town of Arlington Heights. His constructive criticisms are sound and we wish he'd speak his mind oftener. The circulation of his papers, we believe is the largest in Cook County, outside of Chicago, and he dishes it out free of charge, which we like best of all. His big ambition in life is to be able to see the Dunton street spotlight from his upstairs sanctum. He says when the freight house is gone, his ambition will be fulfilled. Here's hoping Stuart—here's hoping.

Note—The above was in type before the "old man" saw this week's effusion by "GEORGE." It goes in as George wrote it just to show the gang that the Ed. can take it on the chin. However, some day, somebody is going to shoot George.

Kincaid Is Elected High School Leader By Palatine Voters

Rural, Village, Township, School Boards Have Quiet Elections

The only fight of Saturday's school elections was at Palatine where Harrison A. Kincaid, instructor and coach in the high school from 1925 to 1931, was elected president of the Palatine township high school board. Mr. Kincaid polled 232 votes while his opponent, Roy G. Born, received 209. Daniel H. Bergman was re-elected to the board, and Martin E. Plate became a member of the board. Paul D. Wilson was the defeated candidate.

In the uncontested election for the Arlington Heights high school 214 votes were cast, 156 of them in Arlington Heights and 81 in Mt. Prospect. Theodore Militzer was elected president, George W. Kost and Herman Garmes members.

Their agreement to serve for another term assures the district of a continuation of the conservative policy which has kept the per capita cost of this high school among the five lowest of nineteen neighboring high schools.

While the tax rate is one of the lowest in Cook county, the credit of the district is among the highest, and there has been no curtailment either in the curriculum offered or in the scholastic standards of the school. Teachers have been paid almost entirely during the present year in cash, and considerable progress has been made in the retirement of bonds which have become delinquent due to the late collection of taxes.

Few citizens realize the time which must be devoted to school affairs by members of the board of education, and when so efficient a body of men are guarding the interests of education and at the same time protecting the taxpayer from waste in administering the affairs of the school, it is not surprising that there is no contest in the school election.

Arlington Primary Schools.
The unopposed election for the Village of Arlington Heights grade school, district 25, brought in 124 ballots. Walter H. Dick was elected president, E. R. Williams, Albert F. Long and Walter J. Schott, members.

Only 17 votes were cast for Wheeling township trustee, John Schoenbeck was elected. Members elected to district school boards in Wheeling township are:

District 20—Merrill school, Alphonse Weidner.

District 21—Wheeling public school, W. F. Laurance.

District 22—Strong school, August Vogt.

District 23—Wheeling Center school, Albert Heuer.

District 24—Wilson school, Martin Albrecht.

District 26—Feeshanville school, Henry E. Tegtmeier.

MAY 1 IS FINAL DATE FOR 1935 VEHICLE TAGS

Arlington Takes Both Divisions In Track Meet At Bensenville

Arlington Heights high school copped both ends of a double header track meet at Bensenville Saturday. Arlington's first squad won 86-36, and her frosh-soph 75-1-3 to 45-2-3. It was mainly through numbers that Arlington won. Bensenville has several good boys, but not enough to make up a full team.

Davis was the outstanding man scoring in four events. Craemer, Koske, Jennings, Johnson, and Guthrie gave him some good help. His record of 5 feet 6.1-8 inches in the high jump, and broad jump of 20 feet, 1 inch, would win most meets. Only a sophomore, he is only just beginning his track career.

Captain Schroeder led Arlington in three firsts, his best event being the broad jump where he cleared an official 21 feet, 7 inches. He twice hit 22 feet, 1 inch, but fouled by only a fraction of an inch on each jump. Szasz showed promise of getting somewhere in the pole vault. If he can avoid the injuries which handicapped him during the track season, the past two years, he may be able to set a new conference record in his specialty before the season is over.

High School President

HARRISON A. KINCAID, new president of the Palatine township high school board.

Magazines A Feature At Library

Fourteen magazines and one newspaper are received regularly at the Arlington Heights public library. Covering a wide range of interests, the current numbers are available for reading without being taken from the library, while back numbers may be taken out just as books.

General and specialized adult magazines include the National Geographic, Popular Mechanics, American Saturday Evening Post, Literary Digest, Reader's Digest, Nature, and Better Homes and Gardens. Children's and young folks interests are covered by St. Nicholas, Boys' Life and the American Boy.

Religious interests are presented in the Watchman of the Seventh Day Adventist church and Columbia of the Catholic church. Until this year the American Lutheran was also sent to the library. The one newspaper received regularly is the Arlington Heights Herald.

Local people have also donated back numbers of other magazines which are available to the public. Included in this group are Scribners, Harpers, Time, Household, American Home, The Small Home, and the Triangle of Sigma Kappa sorority.

In contrast with the recent issues are bound volumes of magazines from the late 1800's and early 1900's. In this group, which is in the book stacks, is McClure's magazine, Munsey's magazine, Cosmopolitan, Youth's Companion, North American Review, Harpers Weekly and Leslie's Weekly.

SATURDAY IS THE BIG DAY AT DREYER'S

Demonstrators Will Exhibit Household Appliances; Free Gifts

Saturday is the big day at Dreyer's Electric Shop at Arlington Heights. Electric washers and ironers will be demonstrated. Special representatives from refrigerator manufacturers will be present to explain the features of their goods. The store will have on display almost every kind of electrical household appliance. Ten table and floor lamps are to be given away that day to visitors, whether they are customers or not.

Every woman is interested in electrical appliances for the home. Every man will come day buy an electrical refrigerator. This is the first time that so many of them will be demonstrated in one show room at one time. It provides an opportunity to learn what is what.

The Dreyer Electric Shop is located in the Vail-Davis building, south of the railroad, one block west from the depot, opposite the village hall.

Village Dads Met Monday

The village trustees of the Village of Arlington Heights have their departments working so smoothly that the board as a whole can not find so very much to do at their regular meetings.

The meeting last Monday was another one of those routine affairs. The street department has been doing a lot of work. Included in the projects under the jurisdiction of that department was the laying of 217 feet of sidewalk, planting of 23 trees, 200 bushes, spreading of 27 loads of gravel, the laying of 20 feet of drain pipe and a multitude of other things.

The board has put off the purchase of a refrigerator at the treatment plant for two years. They bowed to the inevitable Monday night and authorized the committee to report prices at the next meeting.

The village and the contractors have been waiting some time for the cash, amounting to nearly \$12,000 that Uncle Sam promised to give them. Attorney Thal reported that only one obstacle appeared to stand in the way of that check, viz: a separation of water funds from the general fund with a separate bank account. The board advised the treasurer to take such action.

The treasurer's report for March showed a cash balance on hand of \$3836.06. Bills and payroll passed for payment when funds are available amounted to \$1756.07.

Easter Cantata Sunday Night

Lovers of music will rejoice greatly in the fact that one of the most beautiful cantatas has been written by our master of music, Mr. Theodore Militzer, and will be rendered by voices of the community on Easter evening, in the Methodist church at the hour of eight. Mr. Militzer has taken his words from the Holy scripture and set them to music in such good form that all who become acquainted with it are greatly pleased and its rendition is looked forward to with very great interest. Mrs. Beatrice Alden who rendered such effective service to the choir while a resident of Arlington Heights will be the leading soprano; Mrs. Esther Kello, mezzo soprano; Mrs. Hazel McElhose, Alto; Mr. Marvin Green, tenor; and Miss Marie Helmer, baritone at the organ.

Many other well trained voices compose the chorus. The public are cordially invited to celebrate the closing hours of the Easter day in the atmosphere of song.

APPRECIATION

TO THE VOTERS OF ARLINGTON HEIGHTS:

The splendid support given this ticket at the election Tuesday is very gratifying to the members of this administration. Public service may often entail a lot of work on the part of individual board members but we can not help but consider the support given us at the polls as a mark of approval of our policies and confidence in our judgement.

We appreciate the votes given us and assure all voters of Arlington Heights that we will welcome suggestions at any time that will tend to improve conditions here and make Arlington Heights a better town in which to live.

THE VILLAGE TICKET

TO THE VOTERS:
I realize that I owe my election as police magistrate Tuesday to the support that was given to my candidacy by my friends. I thank them and those who placed a cross before my name. I will endeavor to fill the office to the best of my ability, showing favors to none.

GEORGE KLOEFFER

TO THE VOTERS

I want to express my appreciation for the support accorded me by my friends in the recent village election.—Elmer C. Karstens.

WATER BOARD ORDERS STOP OF POLLUTION

Palatine Has Year in Which to Act; Must Report by July 1

Stream pollution by the Village of Palatine must be abated within a year, and a report of the progress made in that direction must be made by July 1, says a formal order voted by the State sanitary water board. Similar orders were issued against Deerfield, the Kildeer country club, and the Sisters of the Holy Family of Nazareth after a hearing April 6.

At the hearing E. P. Steinbrink, village clerk of Palatine, asked for a continuance for the village to prepare its case showing why the dumping of sewage into Salt creek has not been stopped. While admitting the pollution, the village can do nothing because it is bonded and taxed to the limit.

The orders are another step in a state-wide stream sanitation program, in which the state is cooperating with municipalities in bringing about the abatement of objectionable stream pollution. The hearing was the second call in the campaign to clean up the Des Plaines river, Salt creek, and the north branch of the Chicago river.

Similar abatement orders had previously been issued against Wheeling, Libertyville, and St. Mary's training school at Des Plaines. Action against other offenders is expected.

After Repeated Attempts
Each action came only after repeated attempts to have these offenders proceed voluntarily with a definite program for the abatement of the pollution which was being caused by the discharge of the sewage. "The time is past when the people of a community can sit on the banks of a river and continue to pollute it," stated a spokesman for the board.

Board members said that while such an order is in a measure a friendly one, the board does not want to make it very clear and desired to impress upon those responsible for the pollution that definite action is expected.

Culmination of Survey
This action by the sanitary water board is the culmination of the largest stream pollution survey ever attempted in this county. The survey covered 700 miles of streams and flowing into Cook county, and was made by the sanitary water board co-operating with the division of sanitary engineering of the state department of public health, the forest preserve district of Cook county, the sanitary district of Chicago, and the Chicago Regional Planning association.

Members of the board are Dr. Frank J. Jirka, state director of public health; Charles E. Thompson, state director of conservation; Walter W. McLaughlin, state director of agriculture; Robert Kingery, state director of public works and buildings; and Clarence J. White, manufacturer.

Remember the Rambler Rose you ordered last Easter from Flowerland, and how well it bloomed all summer? Why not order another one now? Just call 440.

V. I. Brown Memorial At School

Honoring the principal of the Arlington Heights high school who died recently, the V. I. Brown Memorial plaque for intramural basketball was presented to the school at assembly Monday. The plaque, given by Francis V. Spears of Mt. Prospect, a member of the high school board, was presented by A. M. Conger, Mr. Brown's successor to the principalship of the school, and accepted for the school by Raymond M. Hayes, a member of the faculty.

The plaque, bearing the inscriptions "Clean Sport" and "Good Morals" has space to list the intramural winners for 15 years. The 1935 winning team was the first to have its names listed upon the plaque.

The team, known as "Pa Piffles" was captained by A. Spears. Members are M. Fessler, E. Fredrichs, M. Gaare, R. Richard and A. Scolaro.

Mr. Brown died March 23 after heading the school for a decade, during which it grew from 120 pupils to 400. He was a founder of the Northwest Suburban high school conference, and served for eight years as its secretary-treasurer.

Fientie Polls 1274 Votes; Ladas Loses in Only Fight of Day

Knowing under the lone opposing candidate for village trustee, Arlington Heights voters in Tuesday's election gave their approval to the administration ticket's candidates for village president, clerk, and trustees, but elected the independent candidate for police magistrate. That office provided the fight of the election, and was won by George A. Kloepfer with 828 votes, a 63 majority over his opponent, P. K. Ladas, who polled 765 votes.

J. D. Flentie, village president, was re-elected with 1274 votes. Four present trustees were re-elected. They are Walter Krause with 1237 votes, Gus A. Frannberg with 1282, George Klehm with 1311, and George Schaefer with 1339. The two new men on the board are George F. Schneberger who received 1230 votes, and Frank J. Burns who received 1221.

Arthur L. McElhose, village clerk who was unopposed, was re-elected with 1236 votes. Two members of the library board were elected. They are Alfred P. Capps who received 459 votes, and Henry R. Franke who received 462 votes.

A write-in campaign in the interest of Herman Boeger, for mayor, resulted in only 59 votes for Mr. Boeger, who formerly served a term as alderman.

Meyn Is Re-Elected In Mt. Prospect

Herman F. Meyn, second president of the Village of Mt. Prospect, was elected to his fourth term in that office by 10 votes in Tuesday's election. Heading the Community ticket, he received 368 votes to 358 for R. E. Gould who headed the Citizens ticket.

Village trusteeship went to four of Mr. Meyn's running mates, Herman Haas, Sr., who polled 427, Edwin Wille 383, and Emil Greinke 377. Successful candidates for trustees from the Citizens ticket were S. W. Harrington who polled 383 votes and Charles Hennix who polled 359.

Defeated candidates of the Community ticket were Paul Holste 340, and George Glade 326. Defeated Citizens ticket candidates were F. O. Jorstad 340, Charles Verrett 330, A. W. Holmberg 322, and P. J. Jonas 317. Edwin L. Busse, running on the Independent ticket was re-elected village clerk with 351 votes while his opponent, Rudolph Kruse running on the Regular Voters ticket received 268 votes.

DR. M. H. BICKHAM OF I. E. R. C. TO SPEAK IN ARLINGTON

Regional Planning Director to Discuss Social Security

A most interesting and enlightening talk is to be given by Dr. Martin H. Bickham, Ph. D., Director of Regional Planning for the I. E. R. C. at the Village Hall of Arlington Heights on next Tuesday, April 23rd, at 8 p. m., on the subject of activities in this state toward social security.

Those who have heard Dr. Bickham's talk elsewhere, agree that the topic is most interesting, informative and to say the least, truly a revelation of activities and plans not only proposed, but actually well under way in the State of Illinois. In view of the fact that all information and facts relative to this most important and effective program are totally withheld from the public in the daily press, it is of added interest to every person concerned in the solution of the relief problem.

The present Social Security plans essentially embrace a long period program and offers serious food for thought on the part of every person whether on relief or not, because of its need for well informed citizens to support these measures for permanent results.

It is Dr. Bickham's problem and hope to be able to ultimately solve and secure action in putting into effect, plans for meeting the difficulties also confronting the industrial classes who are more generally represented in this and other large city centers.

Numerous charts are employed to clearly illustrate the facts presented. For this reason the Village Hall was arranged for rather than a larger auditorium.

The program has been arranged by the Arlington Heights Benefit Club for all residents of Arlington Heights. A large attendance from the Club's membership is expected, therefore you are invited to come early.

E. D. Whitmore Visits Schools at Winnetka

E. D. Whitmore, principal of the Arlington Heights schools, was among the educators who were guests yesterday of Carelton Washburn, superintendent of the Winnetka public schools in an all-day visit to the Winnetka schools.

The meeting was a result of contacts and discussions at meetings of the Superintendents' Round Table. The schoolmen were luncheon guests of the Winnetka Parent-Teacher association.

Children to Enter School Will Have Clinic May 7

Children who will enter the Arlington Heights public schools next September will be examined at a health clinic to be held the afternoon of May 7, in the health center in the Arlington Heights village hall. A local doctor and dentist will be in charge of the examination, which is being given to enable parents to have any trouble of their child corrected before school starts next fall.

The examination will be free. Treatment will not be given, but the parents will be referred to their family physician. Mothers of children to be brought to the clinic are asked to call Mrs. Forrester Nichols at Arlington Heights 78-W.

That New Easter outfit will not be complete without a Gardenia corsage. Call Flowerland now. Phone 440.

What is the news? 'Tis understood Our young Republican made good; Palm Sunday shone, a perfect day. To set young Christians on their way; Sadness still lingers in some homes Where death's shadow threatening comes. Elections in our village were Planned and won without demur; Business is surely looking up. Our Lin-a-man sold another pup. Great news is winging close about. Read your home paper to pick it out.

Yes, Palm Sunday was a perfect spring day and brought many families together to celebrate the event of the children's feet set in the pathway of the "Faith of Our Fathers."

Holy week services in the churches throughout this week. Will we pause and think? Easter Sunday, April 21, the great Resurrection of Our Lord, and all nature returns to life, spring comes.

Have you ever seen Easter Lilies displayed by the hundreds? Well, that's just what you will see this week at FLOWERLAND.

Mrs. G. R. Wolf was first of the week, a guest of Mrs. W. A. Miles of Stonegate. Mrs. Wolf informed us of the critical illness of her father, Maj. Spink, with little hope of his recovery.

Miss Dorothy Noyes is spending her vacation in her home with her parents, Mr. and Mrs. B. A. Noyes and sister, Miriam.

Mr. Jacob Harth of East Euclid, who has been bedfast for some weeks past of a heart trouble, is said to be hopefully recovering.

The J. Y. Beatty family came from Oak Park Saturday. Mrs. Beatty and their daughter, Roberta, to say good bye to Mrs. D. G. Beatty before their trip abroad.

Mr. C. E. McWhorter made a business trip to Minneapolis first of the week. We have faith to believe our factories are recovering from the depression.

Mr. and Mrs. Charles Lips and their son, Howard, attended the funeral of a relative, Mrs. Myrtle Bohlander Lips in Chicago Monday.

Mrs. Josie Sieburg was at home to the group of young women who enjoy a get-together afternoon each week. Mrs. Sieburg is always a favorite hostess.

Mrs. John Berchold's home was the scene of a happy gathering Palm Sunday afternoon, when friends and relatives came to celebrate the confirmation of Mrs. Berchold's granddaughter, Lillian Irene Doehring. Guests were Mr. and Mrs. Arthur Doehring and Mrs. Wolf from Maywood; Mr. and Mrs. Herman Harmeling from Palatine; the Misses Lillian and Irene Russell, Mr. and Mrs. John Simon, Mrs. Walter Fiehn, Mr. and Mrs. Joseph Hipp and children of Arlington Heights. Mr. and Mrs. Arnold Krause of Ardmore Lodge are the parents of a daughter born April 5, 1935. Mr. and Mrs. Krause are at present in the home of her parents, Mr. and Mrs. Antone Schaefer.

The public schools will have vacation Good Friday and Easter Monday.

Mr. and Mrs. Charles Klehm are looking forward to a happy Easter with their children all at home; Mr. and Mrs. Arnold Wohlgaest from Petosky, and Mr. and Mrs. Charles Walters and their son, Carl, from Champaign, with the others who are yet in Arlington Heights.

The Woman's club will hold their annual meeting and election of officers in the home of the president, Mrs. B. H. Jarvis, who is to be congratulated on a successful year of her official leadership. Mrs. Elia Boeger had a protracted birthday celebration in her home last week. Wednesday her old time neighborly group gave her a cheerful. Thursday, the old time Mother's club of which Mrs. Boeger was a lifetime member, came to assure she was still "one of them" none other equal to her in their need of her, and their love for her. Such a genial good time as she gave them time and space for to spread out. The guest or hostess always the cheerful example to us winners, was just her courageous self. The cheer and good time made it a day to be remembered by all, and to be oft repeated.

Mr. and Mrs. Ned Jayne and little son were Sunday guests of her parents, Mr. and Mrs. G. J. Rau and family.

The local Garden club met in the home of Mr. and Mrs. H. A. Bates of East Euclid street. A genial social evening was spent on the subjects of most interest to flower lovers. Plans for the season's program and activities were made. Among their plans was a trip to the Lotus beds and other places distinctive flower claims of interest.

The following members of the Crane family went to Chicago Sunday to visit, Mrs. Charles Whiting (Aunt Hannah) who has been spending the winter with her daughter, Mrs. Schofield. She expects to leave soon for her own home at Long Pine, Nebraska. The family gathered to give her a happy good by visit, enjoyed a happy day talking over old times and long forgotten friends and incidents of mutual interest to the whole company made up of Mr. and Mrs. Lincoln Crane, Mr. and Mrs. Elmer Crane, Mr. and Mrs. Harold Hastings, and Mr. and Mrs. George Hughes.

Mrs. Edward E. Silk, of Sherwood Estates, just returned home from Palm Beach, where she has been spending the last two months. Arlington High Baseball Team In Season's First Game Today

Arlington Heights high school baseball team will open the season this afternoon by a game with Waukegan's reserves, who will undoubtedly be plenty tough, for Waukegan has always been a good baseball school. The game is scheduled to be played at Arlington, and will probably be played on the high school field. If so, it will be the first baseball game to be played there in many years, as the Cardinals for the past several years have been using the South-side diamonds.

It is hard to say what kind of a team Arlington will put on the field. Only three regulars are left from last year's conference championship aggregation. Hertel will undoubtedly be a fixture at short. Kehe is back for at least part of the pitching assignment with Bar-

MORE ABOUT The Election

(Continued from Page 1)
The \$15,000 water softening plant proposition was defeated with 379 votes against it and 358 votes for it.

Wheeling Voters Split Between Two Parties

Wheeling voters chose half their village board from one ticket and half from the other in Tuesday's election. Hans Schmidt, acting village president, candidate of the Taxpayers party, was elected village president with 184 votes while his opponent, E. E. Gieseke, village trustee who headed the Peoples ticket, received 96 votes. Miss Adeline Schneider, unopposed for village clerk, received 188 votes.

John J. Wick of the Taxpayers party ran second in total votes only to Mr. Schmidt and received 168 crosses. The party's other two successful candidates for trustee, both of whom held that office now, were Edward Moeller who received 137 votes, and Charles Becker who received 135 votes.

The Peoples ticket candidates who were elected village trustees were Frank W. Weiffin who received 135 votes, Jesse Tesh with 136 votes, and William F. Krueger with 135 votes.

Mr. Krueger and Mr. Becker of the opposite party both had the same total, while Earl Johnson of the Taxpayers party lost out by one vote—he had 134. The other two Taxpayers candidates were Andy Moxer who received 125 and Robert Uttnad who polled 114. Defeated Peoples candidates were Clarence J. Hoffman 116, John Ehlers 112, and Arthur A. Ortel 106.

Palatine Election Is Uncontested

Palatine voters turned out in surprising numbers Tuesday to give their endorsement to the present administration which was without opposition in the election. A total of 414 ballots were cast. Eleven votes were given to William S. Dollinger, opposition candidate who died two weeks ago.

Adolph R. Godknecht received 392 votes for village president, and E. P. Steinbrink 379 for village clerk. For village trustee Arthur H. Mess received 390 votes, George F. Voss 390, Albert H. Schmidt 388, C. C. Uhrhammer 380, Louis H. Freise 376, and Fred H. Sherman 375.

William G. Ost was re-elected to the library board with 386 votes and Mrs. Bertha Thompson re-elected with 383 votes.

The Arlington Heights Chapter No. 109 of the Order of the Boy Builders held a reunion at their last meeting on April 12th. The members of the builders were all asked to bring a guest, to fill his list. The boys were surprised to find from as far back as the presentation of the charter. We even had present a guest that hadn't been present for 6 years. After discussion of the dance, and all other business, the meeting closed, and volley ball was played. At about 10:30, refreshments of cake, sandwiches, and coffee were served. The committee in charge of the evening consisted of Cecil Meyer, John Schulenburg, James Hauff, and Earl Fredricks. The Fidac group, at present students of Belgian history, met with Mrs. Pechia, their chairman in her home on North Dunton avenue, Tuesday afternoon. In addition to their study period, the group are planning and rehearsing for a little play written by Mrs. G. L. Parker, to be staged for the benefit of our soldiers in hospitals.

Mr. and Mrs. William Wilke, Mrs. Friese, accompanied by Mrs. H. C. Kiehm and Mrs. Edward Volz, went to Chicago Sunday to call on Mrs. Tom Blum, whose husband died Saturday. Before her marriage Mrs. Blum was Miss Anna Schimming, and this group who went to visit her were her former friends and schoolmates in her old home in Arlington.

Mrs. Al. Aesch, in the home of her son, Lawrence Sebastian, gave a shower with Mrs. Herbert Helfers as honor guest Friday evening last week. The colors pink and blue in favors and decorations were prettily carried out. A pleasing social affair.

Last we forgot—April 22, a one o'clock desert luncheon given by the April group of Daughters Aid in Lutheran school hall. Tickets 25 cents. Now don't say I didn't tell you.

Palm Sunday was a happy day in many homes in our town. In the Rev. H. C. Fricke's home there were family guests and rejoicing in honor of their daughter, Harriet's completion of her confirmation.

In the home of Mr. and Mrs. Julius Vogel was the scene of another family gathering to celebrate the confirmation of faith of her niece, Hilda Stoekel, and their daughter, Evelyn Vogel. The brothers and sisters with their families, formed another happy group in honor of Evelyn and her cousin, Hilda in their confirmation in Christian faith.

Mrs. William Garms had to divide her interest and sympathy with two family groups, her son's family in Palatine, and one of her grandchildren here at home. All were given due respect and hopeful forward courage.

From one who was present when Francis, son of Mr. and Mrs. M. Oeflein, was confirmed in St. John's church Palm Sunday, said he stood so straight and resolute, as if he was undertaking his journey forward with manly courage to keep the faith and with God's help we are sure he will. This we hope and pray for all of these youthful communicants, let us call them young defenders of the faith.

Mr. and Mrs. Otto Koehnke of North State Road had Palm Sunday guests from Chicago to help them celebrate the confirmation of their son, Kenneth, added to these whose names we learned then have been scores of other families holding Palm Sunday gatherings to rejoice with their friends and relatives over some child or children's confirmation. We trust the great significance of Palm Sunday and its sacred ceremonies, will build into better lives all who participated in the days rejoicing.

Monday, Mrs. Walter Sieburg with Mrs. Joseph Horecher and Frances and Mrs. Edwin Sieburg, went to the West Side hospital at Evanston, to find how Mrs. Walter Sieburg's son, Stanley, was. They were glad to learn he was hopelessly better.

Mrs. Swaney, who has been visiting her brother, Mr. Archie Fessler and family, left for her home in Madison, Wednesday.

Mrs. William H. Meier celebrated her 70th birthday April 7 in her home, 101 East Euclid street. Her children, relatives and friends came to make the day a happy one for Mr. and Mrs. Meier and to wish her many happy returns of the day and date.

The Welcome club of St. Peter's church will hold its annual meeting and election of officers Thursday, April 25. Cora Biewen of the American will talk on "Salads."

Mr. Jacob Kranz, father of our neighbor, Mrs. Francis Wilton, passed from earth life in his home in Chicago after a lingering illness of two years duration in intense suffering, Friday, April 12, 1935. His funeral was held Tuesday this week, a quiet, unostentatious service, according to Mr. Kranz's wishes, with only his family and intimate friends present. His life had been expressed in quiet, peaceful ways and it was thus his earthly house was laid to rest.

Mrs. Wilton has the sincere sympathy of her many friends in Arlington Heights. The world is never the same to when fathers go. From the intense suffering of his last days, his death was to him a blessed release, and in this thought his family must gain comfort.

Mr. and Mrs. Fred Kolze are the parents of an 8 lb. baby girl April 9. Mrs. Kolze and Phyllis Jean are both doing fine at the home of her mother, Mrs. E. Loeck.

An error in the news item about scholastic standings of Arlington Heights high school, which appeared in the paper of last week's paper, Miss Thorson with a 5.76 average is fourth highest in the class of 63 pupils.

Leonard McClain, Detroit, Mich., visited friends over the week-end.

Special Displays
For Easter Season
At Arlington Stores

There is hardly a business place in Arlington Heights that does not have special offerings for the Easter season. This is especially noticeable in the Apparel Shops.

Gieseke's and the Emerald Shop have special stocks at special prices and there is no reason why any woman in northwest Cook county should go anywhere else than Arlington Heights for Easter clothes. Gieseke's is also specializing in men's apparel.

The food stores with large ads. in this issue are giving many reasons why it is economical to buy in Arlington stores. Masny is specializing on hams. Krause's Cash market has a big special on leg of lamb and a recipe to cook it properly is part of their ad.

The A. & P. is making a big bid for business with price quotations in almost all of the lines handled by that store. They have already given an idea as to what is going to happen when they open their new establishment.

Collignon's Delicatessen is now selling Hydrox ice cream at the 20 and 40c price. The price of a quart for this Saturday is cut to 39 cents.

Mors Bakery's Saturday specials are gaining in favor. They can always be found in the Herald.

Hartmann's Shoe Store reports increased business and many new customers which is further indication that Arlington Heights is becoming more and more of a shopping center.

Which all goes to show that the merchants of Arlington Heights are reaching out for business through the Herald advertising columns are optimistic and are "going places."

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 14.

The Golden Text was: "Heal me, O Lord, and I shall be healed; save me, and I shall be saved; for thou art my praise" (Jeremiah 17:14).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The Lord is good to all; and his tender mercies are over all his works. All thy works shall praise thee, O Lord; and they shall bless thee" (Psalms 145:9, 10).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Truth has no consciousness of error. Love has no sense of hatred. Life has no partnership with death. Truth, Life, and Love are a law of annihilation to everything unlike themselves, because they declare nothing except God. Sickness, sin, and death are not the fruits of Life. They are inharmonies which Truth destroys" (p. 243).

Sadecky Invites Public To Inspect New Changes In Remodeled Store

John Angelloff, manager of Sadecky's store, has asked the Herald to extend an open invitation to the general public, especially those who are not regular customers to call and inspect that store. Further changes have been made in the store the past week and John has good reason to be proud of the place.

In and out of season fruits and vegetables, especially purchased for Easter are on sale this week-end. The store also carries the full line of canned goods. This week's specials include some good ones. Better read the ad. that is always to be found on page three.

Arlington Trackmen In Triangular Meet at Crystal Lake Tomorrow

Tomorrow the Arlington Heights high school track team will go to Crystal Lake for their second scheduled meet of the week. A triangular meet with Palatine and Barrington at Barrington was postponed from Tuesday to yesterday. Tomorrow's meet will also be three sided, with Crystal Lake and Woodstock in the other two corners.

The meet will begin at 1 o'clock on Crystal Lake's new field. Woodstock is favored to win. Their track and field men are led by Merwin, ace polevaulter, who has a record of close to 13 feet. They also have strong men in the quarter-mile, half-mile, and mile runs as well as the hurdles.

Little is known of Crystal Lake, but they generally have good track teams.

Senior Walther League Presents Farce Comedy Two Nights Next Week

"The Blue Bag," a farce comedy in three acts, will be presented by the Senior Walther League of Arlington Heights at the Lutheran school hall, Thursday and Friday, April 25 and 26. The main plot of the play deals with several blue hand bags, one of which contains some smuggled jewels.

Mac, who has spent his allowance and needs money, makes a bet that he will be able to make an impression on the first girl that passes. The proof of his success is to be a blue hand bag which he happens to be carrying. So he trails her to a country hotel, and there finds three girls, all with identical blue handbags. Not only that, but there's a detective snooping around after one of the bags, believed to contain stolen jewels. This complicates things for Mac.

George, Mac's chauffeur, has caught a bad case of love. Before the various tangles have been straightened out, you will have had three acts of fun and hilarity.

Tuesday Looms up As Big Night At Arlington

The Arlington Theatre is giving away a big bowl to every man "fetched" along by a lady next Tuesday and Wednesday. The bowls are given only to gentlemen accompanied by a lady. The man gets the bowl, but its unique features will appeal to the ladies who will probably own the bowl anyhow before the evenings are over. Its a mixing bowl and its salient feature is the fact that you can beat it up or kick it about, but it won't tip or spill its contents.

On Tuesday night the Dreyer Electric company will take up a few minutes to draw from a receptacle ten numbers. These numbers will be the winning coupons for the ten big lamps given away at the Dreyer house warming and recreation opening in their new quarters Saturday. The holders of the coupons issued by the Dreyer Electric Co., do not have to be in the theatre to win their lamp, but if you happen to have one of the lucky numbers and are present when they're called off, you get the good news that much sooner.

The Tuesday and Wednesday picture is rated high and it is feasible to conclude that good crowds will be on hand both nights. The Claudette Colbert offering "The Gilded Lily," a Paramount special, is being eagerly awaited and capacity attendance is estimated in early advance.

Rudy Stein's window is displaying some silver and gold studded Easter eggs packed with spending power and to be distributed this Saturday night. "Wings In the Dark" with Cary Grant and Myrna Loy, will take over the screen at the Arlington in a big way for a three-night run starting Monday, April 29. The same week brings Rudy Vallee in Sweet Music, Murder on a Honeymoon, Devil Dogs of the Air and Little Colonel. Rogers, in Life Begins at 40 comes along next with Rumba, Grand Old Girl, Ruggles of Red Gap and Roberta in rapid succession.

Arlington Checker Players Even Score With Wheeling

The Arlington Heights checker players turned the tables upon the players of Wheeling this week when they defeated the latter by 34-38, the same score by which they lost a week earlier. The event took place at Wheeling. The date of the final game for the championship has not yet been announced. In the meantime Arlington boys are waiting for challenges from other towns. Address Park View Tavern.

If you live out of town, and would like to order your flowers from Flowerland, just call 440 and we will deduct the call from your order.

You'll meet a million vicious germs today

IN WINTER, hordes of germs abound in crowded places. If your resistance is low, you become an easy prey. To protect yourself against dangerous winter ailments, your body requires plenty of vitamin A. Science says that this vitamin is the greatest enemy of "colds" and other respiratory illnesses.

Today, you have a delicious, certain means of fortifying your system with vitamin A in McKesson's VITAMIN CONCENTRATE TABLETS OF COD LIVER OIL. These chocolate-coated tablets also bring you vitamin D—which supplements winter sunshine—and the body-building minerals, calcium and phosphorus.

Each tablet brings you all the vitamins in one teaspoonful of U. S. P. X. (revised 1934) Cod Liver Oil. Six small tablets daily will help protect you against colds, and increase your strength and vitality. You'll find them at your druggist's. A \$1 bottle brings you 100 tablets. Soft Ball League Announce This Year's Meeting as Wednesday

The first meeting of local people who are interested in the formation of a soft ball league in Arlington Heights was held Wednesday evening. The boys appear to be enthusiastic and eight teams are assured. A second meeting will be held at the Hartmann Shoe Store next Wednesday evening when all sponsors, and team managers must be present.

1935 Is A Pontiac Year In Arlington

This is a Pontiac year in Arlington Heights. Elmo Williams of the Roehrer Motor Sales is authority for that statement. Sales of Pontiacs this year by Mr. Williams are three times that of last year for the same period. Anyone who has inspected or ridden in one of the new Pontiacs knows whereof Elmo speaks, and why he is so enthusiastic over that car. The only trouble, says Mr. Williams is that Pontiacs are so popular in other places that he cannot always get the cars when he wants them. However, he has delivered nine of them in addition to two new Buicks of which he is now a selling agent. "The Pontiac is today the best value in the medium priced field," states Mr. Williams. "I have found that the public is ready to spend a little more when purchasing a new car in order to get more value. Not only does the Pontiac possess features not found in any other car in its field, but it has extra weight. My enthusiasm alone could not have sold those nine Pontiacs if the auto itself was not all that I claim for it."

Mr. Williams of course is always ready to leave his other work to enter his sales room, but the Roehrer garage is a busy place these days conditioning cars for spring and summer driving. His shop "goes all the way" its spring tune up of cars and motors. Particular owners appreciate such service and for that reason it is almost necessary to "make appointment" for your car when you desire that the Roehrer garage give it a spring going over.

Building in Suburbs Active During March

For the first time since December, 1931, the monthly survey of new building in the Chicago suburban area has exceeded \$1,000,000. The figure for March is \$1,067,550. The only other month in the past three and a quarter years in which the total permits issued amounted to over \$1,000,000 was September, 1934, when the sum was \$1,436,609.

Judge Meyer Declares A "Draw" in Two Year Old Accident Case

With the village of Arlington Heights as the plaintiff and Mr. and Mrs. Kinsel as the defendant, three hours were spent late Monday afternoon in the submission of evidence in a case that was years old. After it was all over and the witnesses and lawyers had missed their usual supper hour, Judge Meyer ruled that the parties concerned were equally to blame.

In 1933 Mrs. Kinsel was driving her car south on Dunton and turned to the left just as Chief Skoog was approaching in the opposite direction. The officer's motorcycle was wrecked in the collision and Mr. Skoog was badly hurt. The claim of the village was for damage to the motorcycle. There will be no appeal on the part of the village.

Bus "War" Is On In Arlington Heights

Mt. Prospect pupils attending the high school at Arlington Heights are saving money these days as the result of a small bus war. Mr. Geisen, of Palatine recently purchased of Mr. Metz the bus that he used in transporting the students to the school. He also started a local cab service. His competing cab line is reported to have induced the United Coach line of Des Plaines to provide similar bus service to the high school. The previous rate of 15c a round trip was reduced to 12c. The cut was immediately met by Mr. Geisen.

The pupils are awaiting the outcome and in the meantime have a bit more spending money.

WHO'S WHO

No business man too big to escape
By GEORGE

When you see that "thin man" with a pad of writing paper in his hand, hopping from one business house to the next business place—that is Stuart Paddock. He has been dishing out the dirt for years and years, out what he has written isn't any news. Get a load of what's coming.

He was born in Chicago, in the district known as the "valley." He attended grade school there and his playmates were Machine Gun Jack McGurn, Diamond Joe Esposito and Three Fingered Jack White. This influence has dominated his whole life, but the exception has been that, instead of being publicized, he has done the writing.

His dad moved to Libertyville and weaned Stuart away from the paths of infamy and sent him to high school. But Stuart was an ostentatious youngster and finally father moved to Palatine—a town so peaceful and quiet that there was nothing else for Stuart to do but help stir up excitement by helping publish the Palatine Enterprise—a subsidiary of the Cook County Herald.

About this time Stuart took himself a wife and really settled down. Took a course in Metropolitan Business College, Molar Barber College and Keely Institute. With all these diplomas he took over the management of the Cook County Herald—he is the whole works up there, but his brother, Charles, really runs the main works on the first floor.

Yet Stuart is a self made man and is on the up-grade. He now has a grown family—2 boys and one girl. Luckily they have taken the "bit in their teeth," overcome the hereditary tendencies on the paternal side and have taken to other methods of making a living besides being newspaper men.

Stuart is now 53 years old, but his two hobbies of attending village board meetings and providing meal tickets for his employees have advanced his age considerably. It is difficult to distinguish him from his dad, who is around ninety, and only recently Stuart admitted that he didn't feel a day over eighty.

However, it is only natural that he does feel his age, for he really is a hustler. He scurries through the town like a Kansas dust storm, to ferret out a news item. He tries to publish the truth and the day after the paper is out, he hides upstairs while the crew below get bawled out for his mistakes.

But nevertheless, he is a swell fellow. Keeps his paper on a very high standard and is ever willing to boost the town of Arlington Heights. His constructive criticisms are sound and we wish he'd speak his mind oftener. The circulation of his papers, we believe is the largest in Cook County, outside of Chicago, and he dishes it out free of charge, which we like best of all. His big ambition in life is to be able to see the Dunton street stouthead from his upstairs sanctum. He says when the freight house is gone, his ambition will be fulfilled. Here's hoping Stuart—here's hoping.

Note—The above was in type before the "old man" saw this week's effusion by "GEORGE." It goes in as George wrote it just to show the gang that the Ed. can take it on the chin. However, some day, somebody is going to shoot George.

Eastern Star Notes

April 11 was friends night at Arlington Heights chapter and brought out many of its members and just as many friends, about 200 in all. Mildred Sanborn, worthy matron of Palatine chapter, and Gilman Anderson, worthy patron of Maywood chapter, were in the East.

Other guests officers were as follows: Associate matron, Florence Steinbreck, Palatine; associate patron, R. H. Finkel, Theodora; conductress, Gladys Schmidtke, Palatine; associate conductress, Fern Krueger, Glenview; treasurer, Lillie Schirring, Palatine; secretary, Ruth Ewert, Des Plaines; chaplain, Louise Galitz, Wheeling; marshal, Mary Peters, Arlington Heights; Adah, D. Lesnar, Riverside; Ruth, Grace Knox, Arlington Heights; Esther, Ellen Muller, Palatine; Martha, Mabelle Jasper, Arlington Heights; Electa, Betty Dutton, Arlington Heights; warder, Adelaide Steiner, Deerfield; sentinel, Irving Tesch, Arlington Heights; guest of honor, Anna Dean of Des Plaines; organist, Gladys Wilton, Arlington Heights; soloist, Julia Hill of Glenview.

The acting worthy matron was escorted by officers and members of Palatine chapter and greeted in song by the soloist, and introduced by the worthy matron, who welcomed her and all the visiting guest officers. The guest of honor, Anna Dean, was greeted in song also.

There being no initiation, all the business of the evening was rapidly taken care of. Remarks were heard from the guests in the East, after which chapter was closed. A short program followed. The soloist of the evening, Julia Hill, favored us with several selections accompanied by her sister, Cecil Bradley. The girls club put on a pantomime. The evening was enjoyed by all present. After which we all adjourned to the dining room where delicious refreshments were served by Mrs. Dick's and her committee. The decorations represented the Easter season and much thanks is due. Mrs. Wolf and her committee.
